I. CALL MEETING TO ORDER – JANUARY 13, 2016

The meeting of the Continuing Education Advisory Committee was called to order at 12:01 p.m. on Wednesday, January 13, 2016. The meeting was held by electronic means in compliance with Iowa Code section 21.8. The purpose of the meeting was to review meeting minutes, requests for continuing education course and sponsor approval, and other committee-related matters. It was impractical to meet in person with such a short agenda. A quorum was established with five (5) members present.

II. COMMITTEE MINUTES

- *October 13, 2015 – Teleconference*
- ❖ MOVED by ELMITT, SECONDED by MCBRIDE, to APPROVE the minutes as submitted. Motion APPROVED unanimously.
- *December 2, 2015 – Teleconference*
- ❖ MOVED by MALMBERG, SECONDED by BEASLER, to APPROVE the minutes as submitted. Motion APPROVED unanimously.

III. CONTINUING EDUCATION COURSE APPLICATIONS FOR REVIEW

- Iowa Dental Hygienists' Association – *“Trends in Instrumentation Technology – A Hands-on Experience with XP Instruments”* – Requested 4 hours

Ms. Schlievert questioned the number of hours requested versus the length of the course. Ms. Braness referenced Iowa Administrative Code 650—Chapter 25, which awards continuing education credit based on clock hours.

- Dr. Fuller joined the call at 12:05 p.m.

Dr. Fuller questioned the portion of the course, which discussed writing business plans to propose the purchase of equipment. Dr. McBride agreed that this portion was not eligible for approval.

- ❖ MOVED by ELMITT, SECONDED by FULLER, to APPROVE the course 3 hours. Motion APPROVED unanimously.
- Impact Dental Training – *“Hard Tissue Laser Hands On Techniques Course”* – Requested 6 hours total: 4 hours lecture & 2 hours of hands-on simulation

Ms. Beasler inquired as to who would teach the course. Ms. Braness believed that the list of instructors included may be interchangeable.

Ms. Schlievert stated that Impact Dental Training indicated prior approval. Ms. Braness stated that they have had other courses approved; though, she was not aware of a prior approval for a laser course.

Ms. Elmitt reported that she would be recusing herself on the vote on this course. Ms. Elmitt stated that she was familiar with the course, and that Dr. Swett would be the one to teach this course.

Ms. Beasler questioned the techniques and who would teach them. If the course were intended for dentists, it is not likely that a dental hygienist could teach these courses. Ms. Braness stated that

the instructor would need to have expertise in this area; and instruction of clinical topics would be limited to the legal area of practice.

- ❖ MOVED by FULLER, SECONDED by MCBRIDE, to APPROVE the course as submitted with the stipulation that the dentist should instruct portions of the course limited to legal practice by a dentist. Motion APPROVED. Ms. Elmitt abstained.
- Institute for Natural Resources – *“Inflammation, Chronic Illness, & the Brain”* – Requested 6 hours

Ms. Malmberg stated that she saw very little about dentistry. Ms. Beasler agreed, and stated that she would be inclined to deny the course continuing education credit. While interesting, the content is not applicable to the practice of dentistry.

- ❖ MOVED by BEASLER, SECONDED by MALMBERG to DENY the course as submitted due to the lack of dental component. Motion APPROVED unanimously.
- Submitted by Lisa Theisen – sponsored by Institute for Brain Potential – *“Reasoning with Unreasonable People: Focus on Disorders of Emotional Regulation”* – Requested 6 hours

Dr. Fuller believed that the course did not have a sufficient dental component. Ms. Malmberg agreed. Dr. McBride referenced the section about patient management; however, he was not sure that this would apply.

Ms. Schlievert reported that a similar course was approved at the last meeting. Ms. Beasler stated that this course appeared to focus on diagnosis of these conditions, which dental professionals cannot do.

- ❖ MOVED by FULLER, SECONDED by MALMBERG, to DENY the course as submitted. Motion APPROVED unanimously.
- Iowa Dental Association (May 2016 Meeting):
 - *“Medical Emergencies in the Dental Office”* – Requested 3 hours
- ❖ MOVED by FULLER, SECONDED by ELMITT, to APPROVE the course as submitted. Motion APPROVED unanimously.

- *“The Third Molar Dilemma – When to Extract, When to Observe”* – Requested 3 hours
- ❖ MOVED by SCHLIEVERT, SECONDED by BEASLER, to APPROVE the course as submitted. Motion APPROVED unanimously.
- *“Oral Diagnosis in the Pediatric Patient: Radiology and Oral Pathology” (1st Session)* – Requested 3 hours
 - *“Oral Diagnosis in the Pediatric Patient: Radiology and Oral Pathology” (2nd Session)* – Requested 3 hours
- ❖ MOVED by MALMBERG, SECONDED by BEASLER, to APPROVE the courses as submitted. Motion APPROVED unanimously.
- *“Designed for Accomplishment; Engineered for Success” (1st Session)* – Requested 3 Hours
 - *“Designed for Accomplishment; Engineered for Success” (2nd Session)* – Requested 3 Hours

Ms. Malmberg questioned if these were practice management courses. Dr. Fuller reported that he reached out to the Iowa Dental Association for more information. Dr. Hipp stated that it was intended for dental assistants and dental hygienists. The 2nd session is more technical in nature; however, session one (1) is a prerequisite for the 2nd session. The intent of the course is to address restorations, composites, matrixes and other topics. Ms. Malmberg asked if this could be further clarified. Dr. Hipp agreed, and would ask the instructor to clarify the content. The instructor had been informed to focus on clinical topics, and to limit discussions related to practice management.

- ❖ MOVED by Malmberg, SECONDED by BEASLER, to REQUEST additional information. Motion APPROVED unanimously.
- *“Lunch and Learn Sessions”* – Requested 1 hour

Ms. Malmberg asked about the topics for the lunch and learn. Dr. Hipp stated that the Dr. Cochrane was working on this. Dr. Hipp indicated that he understood if the committee required more information before making a decision. The Iowa Dental Association will provide more information at the next meeting.

- ❖ MOVED by MCBRIDE, SECONDED by SCHLIEVERT, to REQUEST additional information. Motion APPROVED unanimously.

- “*Know Your Patients’ Medications and Their Impact on Dental Treatment*” (1st Session) – Requested 2 hours
- “*Know Your Patients’ Medications and Their Impact on Dental Treatment*” (2nd Session) – Requested 1.5 hours
- “*Know Your Patients’ Medications and Their Impact on Dental Treatment*” (3rd Session) – Requested 1.5 hours
- “*Know Your Patients’ Medications and Their Impact on Dental Treatment*” (4th Session) – Requested 1 hour
- “*Bottom Line Boosters: How Crown and Bridge and Composite Know-Hows Can Change Your Practice*” (1st Session) – Requested 2 hours
- “*Bottom Line Boosters: How Crown and Bridge and Composite Know-Hows Can Change Your Practice*” (2nd Session) – Requested 1.5 hours
- “*Bottom Line Boosters: How Crown and Bridge and Composite Know-Hows Can Change Your Practice*” (3rd Session) – Requested 1.5 hours
- “*Bottom Line Boosters: How Crown and Bridge and Composite Know-Hows Can Change Your Practice*” (4th Session) – Requested 1 hour

Ms. Beasler asked about the different number of hours for each session of related courses. Dr. Hipp stated that they were the same courses; however, there are various sessions depending upon how the course would be broken down. The Iowa Dental Association believed that it would be easier to manage the continuing education courses and certificates of completion.

❖ MOVED by MCBRIDE, SECONDED by FULLER, to APPROVE the courses as submitted. Motion APPROVED unanimously.

- “*Interceptive Orthodontics – The What, When, How & Why*” (1st Session) – Requested 1.5 hours
- “*Interceptive Orthodontics – The What, When, How & Why*” (2nd Session) – Requested 1.5 hours

❖ MOVED by MALMBERG, SECONDED by BEASLER, to APPROVE the courses as submitted. Motion APPROVED unanimously.

- “*Current Scientific Evidence in Endodontic Therapy*” (1st Session) – Requested 2 hours
- “*Current Scientific Evidence in Endodontic Therapy*” (2nd Session) – Requested 2 hours

❖ MOVED by FULLER, SECONDED by MCBRIDE, to APPROVE the courses as submitted. Motion APPROVED unanimously.

- “*Efficient and Effective Endodontics/Hands-on Session*” – Requested 3 hours

Dr. Hipp reported that the hands-on session would be related to the endodontic section of the course.

❖ MOVED by FULLER, SECONDED by MCBRIDE, to APPROVE the course as submitted. Motion APPROVED unanimously.

- “*Successful Management of Adults with Special Needs*” (1st Session) – Requested 1.5 hours
- “*Successful Management of Adults with Special Needs*” (2nd Session) – Requested 1.5 hours

❖ MOVED by SCHLIEVERT, SECONDED by MCBRIDE, to APPROVE the courses as submitted. Motion APPROVED unanimously.

- “*Infection Control Update: How to Provide a Safe Visit and What the Public Expects*” – Requested 2 hours

❖ MOVED by FULLER, SECONDED by MALMBERG, to APPROVE the course as submitted. Motion APPROVED unanimously.

- “*Radiography Renewal: Current Guidelines in Radiation Protection in Dentistry*” – Requested 2 hours

❖ MOVED by FULLER, SECONDED by MALMBERG, to APPROVE the course as submitted. Motion APPROVED unanimously.

- Iowa Governor’s Conference on Public Health – *Multiple Topics* – Number of requested hours not specified in materials submitted.

Ms. Malmberg requested additional information. Ms. Malmberg stated that the breakdown of hours was insufficient to determine the hours related to dentistry.

Ms. Schlievert believed that the courses would be of value to dental public health.

After further discussion the committee members decided that additional information would be helpful to make a final recommendation concerning continuing education credit.

- ❖ MOVED by FULLER, SECONDED by MALMBERG, to REQUEST additional information regarding the number of continuing education hours requested by the sponsor, along with more information about course content and how those courses apply to dentistry. Motion APPROVED unanimously.
