

Community College Testing Sites

To schedule a dental, dental hygiene, or dental assistant examination, please contact the testing site of your choice at least 10 days prior to the exam date. A proctor fee will be paid directly to the community college testing site. To sit for the exam, you will need to take verification of trainee status, or pending application (dental & dental hygiene applicants), along with a photo ID. Please contact the board directly if there is not a site available in your area. The board will make every effort to accommodate you.
