NOW on this 15th day of April, 2005, the Board having considered a request from Respondent to modify the terms set forth in Section II., paragraph 1. of Respondent's January 16, 2002, Stipulation and Consent Order, does hereby find and conclude that such paragraph should be modified to provide as follows:

1. The Respondent may make application for issuance of DEA and CSA registrations.
2. If drug registrations are issued he may prescribe Schedule III, IV, and V controlled substances to patients of record utilizing the following protocols:
 - a. Each prescription issued shall be written in triplicate, with one copy to the patient, one copy for Respondent's records, and one copy to the Board to be filed with Respondent's quarterly report forms to the Board.
 - b. Respondent shall maintain a controlled substance prescription log separate and apart from patient records. This log shall list all prescriptions issued for controlled substances by date in chronological order, and shall contain the name and telephone number of the patient, prescription name, quantity, and reason for issuance.

- c. Respondent shall not dispense or distribute any controlled substances from his office, including samples.

THEREFORE IT IS HEREBY ORDERED that effective immediately Section II., paragraph 1. of Respondent's January 16, 2002, Stipulation and Consent Order be modified as set forth above. All other requirements remain in full force and effect.
