The licensee disciplinary hearing scheduled to commence before the Iowa Board of Dental Examiners on the 25th day of August, 2005, on the allegations specified in the Statement of Charges which is attached to the Notice of Hearing dated April 15, 2005, shall be resolved without proceeding to hearing, as the parties have agreed to the following Stipulation and Consent Order:

1. That Respondent was issued a license to practice dentistry on the 30th day of July, 1979, as evidenced by License Number 6472 which is recorded in Book D, Page 20, of the permanent records in the office of the Iowa Board of Dental Examiners.
2. That Iowa Dental License Number 6472 is current and in full force until June 30, 2006.
3. That the Iowa Board of Dental Examiners has jurisdiction over the parties and subject matter herein.
4. A Notice of Hearing and Statement of Charges was filed against Respondent on April 15, 2005.

**THEREFORE, IT IS HEREBY ORDERED** that Respondent's license to practice dentistry in the State of Iowa shall be placed on probation for a period of five (5) years subject to the following terms and conditions. Respondent may request a review by the Board after 2 years of successful compliance.

**SECTION I.**

**CLINICAL ASSESSMENT  
REMEDIAL EDUCATION**

1. Within sixty (60) days of the date of this Order, the Respondent shall undergo a comprehensive clinical assessment by a college of dentistry prior approved by the Board to determine Respondent's level of competency in the areas of diagnosing and treatment planning, performing patient examinations, periodontics, calculus removal, and patient record keeping. The Board shall forward to the university, prior to the assessment, the Board's file relating to the Statement of Charges. Following said assessment, the university shall prepare a proposed course of study to address any concerns identified in the Board's Statement of Charges as well as any deficiencies, if any, noted during Respondent's clinical assessment. The university shall report directly to the Board, with a copy to Respondent, the results of that assessment. This assessment shall be taken at the expense of Respondent.
2. Respondent agrees to restrict his practice of endodontics and refer all endodontic work to other providers.
3. Respondent agrees to suspend his practice of dentistry until further Order of the Board, if the Board determines the results of the assessment lead to the reasonable conclusion that to allow the Respondent to continue to practice would pose an imminent threat to the public's health, safety and welfare. In the event of suspension, Respondent agrees to

remain under suspension until such time as he demonstrates to the satisfaction of the Board that he has attained competence in the practice of dentistry. At such time, the Board shall issue an Order granting the Respondent the right to resume his practice of dentistry. In the event the Board determines from the information received that Respondent is not competent to practice dentistry the Board may impose restrictions on Respondent's practice and/or additional remedial education and testing as may be necessary to achieve the Respondent's competency.

4. Respondent shall successfully complete the assessing dental school's recommended course of study, which shall be taken at an accredited dental school prior approved by the Board. The course of study shall be prior approved by the Board. Following completion of the course of study, Respondent shall advise the supervising faculty to contact the Board to verify that the Respondent has completed the course of study. The verification from the university shall include a written report relative to Respondent's successful completion of the program, a narrative evaluation of his participation in the program, and any other information relative to Respondent's abilities in the practice of dentistry and any recommendations regarding Respondent's future practice. Respondent agrees to comply with any future practice recommendations. This course of study shall be taken at the expense of Respondent.
5. The Board shall review the report from the university to determine if the Respondent has successfully completed the course of study.
6. The course of study shall be successfully completed within six (6) months of the date of this Order.
7. All costs associated with the assessment and course of study shall be the sole responsibility of Respondent.

## SECTION II.

### ADDITIONAL PROBATIONARY TERMS

2. Respondent shall be responsible for all costs associated with compliance with this Order, and shall also be responsible for all costs incurred by the Board in the monitoring of this Order to determine compliance. Respondent shall promptly remit one hundred (\$100.00) dollars on or before the first day of January, April, July, and October, of each calendar year for such costs.
3. Respondent shall fully cooperate with random unannounced office visits by agents of the Board to determine compliance with this Order.
4. Respondent shall upon reasonable notice, and subject to the provisions of Board rule 650 Iowa Administrative Code 31.6, appear before the Board at the time and place designated by the Board.
