On this 16th day of October, 2003, the Iowa Board of Dental Examiners and Kenneth P. Carlson, D.D.S., 2228 North 2nd Street, Clinton, Iowa, each hereby agree with the other and stipulate as follows:

The licensee disciplinary hearing scheduled to commence before the Iowa Board of Dental Examiners on the 4th day of December, 2003, on the allegations specified in the Statement of Charges which is attached to the Notice of Hearing dated August 22, 2003, shall be resolved without proceeding to hearing, as the parties have agreed to the following Stipulation and Consent Order:

1. That Respondent was issued a license to practice dentistry on the 1st day of July, 1968, as evidenced by License Number 5556, which is recorded in Book C, Page 89, of the permanent records in the office of the Iowa Board of Dental Examiners.
2. That Iowa Dental License Number 5556 is current and in full force until June 30, 2004.
3. That the Iowa Board of Dental Examiners has jurisdiction over the parties and subject matter herein.

4. A Notice of Hearing and Statement of Charges was filed against Respondent on August 22, 2003.

THEREFORE, IT IS HEREBY ORDERED that Respondent's license to practice dentistry in the State of Iowa shall be placed on probation for a period of five (5) years effective with the date of this Order. Respondent may request the Board to review probation 2 years after the date of this Order. However, the decision as to whether to amend or terminate the probation remains in the discretion of the Board.

SECTION I.

CLINICAL ASSESSMENT REMEDIAL EDUCATION

1. Within sixty (60) days of the date of this Order, the Respondent shall undergo a comprehensive clinical assessment by a college of dentistry prior approved by the Board to determine Respondent's level of competency. The Board shall forward to the university, prior to the assessment, the Board's file relating to the Statement of Charges. Following said assessment, the university shall prepare a proposed course of study to address any concerns identified in the Board's Statement of Charges as well as any deficiencies, if any, noted during Respondent's clinical assessment. The university shall report directly to the Board, with a copy to Respondent, the results of that assessment. This assessment shall be taken at the expense of Respondent.
2. The Respondent agrees to suspend his practice of dentistry until further Order of the Board, if the Board determines the results of the assessment lead to the reasonable conclusion that to allow the Respondent to continue to practice would pose an imminent threat to the public's health, safety and welfare. In the event of suspension, Respondent agrees to remain under suspension until such time as he demonstrates to the satisfaction of the Board that he has attained competence in the practice of dentistry. At such time,

the Board shall issue an Order granting the Respondent the right to resume his practice of dentistry. In the event the Board determines from the information received that Respondent is not competent to practice dentistry the Board may impose restrictions on Respondent's practice and/or additional remedial education and testing as may be necessary to achieve the Respondent's competency.

3. The Respondent shall successfully complete the assessing dental school's recommended course of study, which shall be taken at an accredited dental school prior approved by the Board. The course of study shall be prior approved by the Board. Following completion of the course of study, Respondent shall advise the supervising faculty to contact the Board to verify that the Respondent has completed the course of study. The verification from the university shall include a written report relative to Respondent's successful completion of the program, a narrative evaluation of his participation in the program, and any other information relative to Respondent's abilities in the practice of dentistry and any recommendations regarding Respondent's future practice. Respondent agrees to comply with any future practice recommendations. This course of study shall be taken at the expense of Respondent.
4. The Board shall review the report from the university to determine if the Respondent has successfully completed the course of study.
5. The course of study shall be successfully completed within six (6) months of the date of this Order.
6. All costs associated with the assessment and course of study shall be the sole responsibility of Respondent.

SECTION II.

ADDITIONAL PROBATIONARY TERMS

1. The Respondent shall be responsible for all costs associated with compliance with this Order, and shall also be responsible for all costs, including mileage and expenses incurred by the Board in the monitoring of this Order to determine compliance. Respondent shall promptly remit for such costs.
2. The Respondent shall fully cooperate with random unannounced office visits by agents of the Board to determine compliance with this Order.
3. The Respondent shall upon reasonable notice, and subject to the provisions of Board rule 650 Iowa Administrative Code 31.6, appear before the Board at the time and place designated by the Board.
4. The Respondent shall make monthly reports to the Board with respect to his practice and detailing his compliance with the terms of this Order for six (6) months from the date of this Order. Following this six (6) month period Respondent shall thereafter make quarterly reports to the Board for the remainder of the probationary period.
5. If Respondent moves to another state, he shall notify the Board fourteen (14) days prior to his departure.
