

**BEFORE THE DENTAL BOARD
OF THE STATE OF IOWA**

IN THE MATTER OF:)	CASE NO. 12-059, 12-091
LANCE P. FORBES, D.D.S.)	
Iowa Dental License #07957)	MODIFICATION ORDER
Respondent)	

NOW on this 28th day of January, 2016, the Board considered a written request from Respondent to modify the requirements of his January 22, 2015 Settlement Agreement and Final Order (“Order”). Respondent seeks modification of the Order to eliminate the restriction on personal use and possession of alcohol as set forth in Section I, paragraph 2 of the Order, to remove the requirement for participation in the Board’s random drug and alcohol screening program as required by Section I, paragraph 3 of the Order, and to discharge him early from probation.

In considering Respondent’s request, the Board reviewed the documents Respondent submitted as well as the disciplinary documents. Given that Respondent has only been under Board probation for approximately one year of his five year probationary term and that his case involved serious charges involving improper prescribing of a controlled substance, the Board determined that it is appropriate for Respondent to remain on probation for a longer period of time. However, the Board determined to modify Respondent’s January 22, 2015 Settlement Agreement and Final Order in part to eliminate the requirement that Respondent abstain from the personal use and possession of alcohol and to eliminate his participation in random drug and alcohol screening.

THEREFORE, IT IS HEREBY ORDERED that Respondent shall no longer be required to abstain from the personal use and possession of alcohol as required by Section I, paragraph 2 of the Order and Respondent shall no longer be required to participate in the Board's random drug and alcohol screening program as required by Section I, paragraph 3 of the Order. Section I, paragraph 2 of the Order relating to the personal use and possession of controlled substances or drugs shall remain in effect along with all other requirements in the January 22, 2015 Settlement Agreement and Final Order.

Dated this 28th day of January, 2016.
