

**BEFORE THE DENTAL BOARD  
OF THE STATE OF IOWA**

---

<b>IN THE MATTER OF:</b>	)	<b>CASE NO. 12-059, 12-091</b>
<b>LANCE P. FORBES, D.D.S.</b>	)	
<b>Iowa Dental License #07957</b>	)	<b>ORDER</b>
<b>Respondent</b>	)	

---

**NOW** on this 29th day of April, 2016, the Board considered a written request from Respondent for the Board to terminate all probationary requirements from his January 22, 2015 Settlement Agreement and Final Order (“Order”).

1. In considering Respondent’s request, the Board reviewed the documents submitted by Respondent and the disciplinary charges and January 22, 2015 Order.

2. Respondent has been under Board probation for approximately one and one half years of his five year probationary term. Given the nature of the underlying charges which involved improper prescribing of controlled substances and the fact that Respondent has a controlled substances registration and the authority to prescribe controlled substances, the Board finds it is appropriate to continue to actively monitor Respondent’s practice of dentistry. In the event that, at some point in the future, Respondent no longer has the authority to prescribe controlled substances, Respondent may petition the Board to reconsider whether termination of his probation is appropriate.

**THEREFORE, IT IS HEREBY ORDERED** that Respondent’s request for the Board to terminate all probationary requirements from his January 22, 2015 Settlement Agreement and Final Order be **DENIED**.

Dated this 29<sup>th</sup> day of April, 2016.
