

**BEFORE THE DENTAL BOARD
OF THE STATE OF IOWA**

IN THE MATTER OF:)
William Skinner, D.D.S.)
Iowa Dental License #07913)
Respondent)

ORDER

On the 25th day of January, 2019, the Board considered a written request from Respondent to reinstate his implant privileges and approve an implant monitor.

1. Respondent's license was placed on indefinite probation by a Settlement Agreement and Final Order dated July 14, 2017.

2. The Order restricted Respondent from practicing in the area of implant dentistry, including providing any procedures involving the treatment planning, placement and aftercare of dental implants.

3. The Board received information demonstrating that Respondent was advertising the ability to perform implant procedures, despite the restriction.

4. The Board reviewed Respondent's disciplinary history, probation file, and recent actions, and determined that reinstatement of Respondent's implant privileges is not appropriate at this time.

THEREFORE, IT IS HEREBY ORDERED that Respondent's request to reinstate his implant privileges and approve and an implant monitor be **DENIED**.

Dated this 25th day of January, 2019.
