I. CALL TO ORDER FOR JUNE 5, 2020

Dr. McBride called the meeting of the Iowa Dental Board to order at 9:30 a.m., on Friday, June 5, 2020. The meeting was held by electronic means in compliance with Iowa Code Section 21.8 due to the COVID-19 pandemic.

Roll Call:

<u>Member</u>	<u>McBride</u>	<u>Foley</u>	<u>Ceraso</u>	<u>DeJong</u>	<u>Holst</u>	<u>Slach</u>	<u>Travis</u>	<u>Elmitt</u>	<u>Thorsen</u>
Present	x	x	x	x	x	x	x	x	x
Absent									

A quorum was established with all members present.

Dr. McBride thanked the Board members and staff for their extra work during this period. Dr. McBride also thanked the other organizations and interested parties who continue to assist the Board in their efforts.

II. THE COMMISSION ON DENTAL COMPETENCY ASSESSMENTS (CDCA)

- *Overview and Discussion on Non-Patient Dental Hygiene Exam*

Mr. Alexander Vandiver, CEO of the Commission of Dental Competency Assessments (CDCA), provided an overview of the intended discussion.

Ms. Connolly-Atkins, M.S., R.D.H., Senior Advisor and Member of the ADEX Dental Hygiene Examination Committee, provided a detailed overview of the non-patient examination for dental hygienists. Ms. Connolly-Atkins also addressed the limitations of the manikin portion of the examination. The tissue in the typodont is workable; however, Ms. Connolly-Atkins admitted that it was not ideal.

Ms. Connolly-Atkins opened the discussion up to questions. Ms. Slach asked several questions about the examination and differences between the patient-based and non-patient testing.

Mr. Vandiver stated that the CDCA does not currently administer testing at Iowa schools; however, there were some students from Minnesota who are interested in the examination who may be coming to Iowa.

III. SOUTHERN REGIONAL TESTING AGENCY (SRTA)

- *Overview and Discussion on Non-Patient Dental Hygiene Exam*

Dr. George Martin, SRTA president provided an overview of the examination. Dr. Martin also addressed the question of using ultrasonic equipment during the COVID-19 response. Dr. Martin stated that they are allowing the use of this equipment on the typodonts. Scoring of the non-patient examination is similar to the patient-based examination. SRTA will begin administering the non-patient examination later this month.

Dr. Martin allowed the opportunity for questions. Dr. McBride asked if comparisons were done between the patient-based examination and the non-patient based examination. Dr. Martin stated that a formal study was not completed; however, those who attempted the examination believed that the examinations were comparable.

Dr. Holst asked if the students would be able to prepare for testing on the models. Dr. Martin stated that models were available for purchase from the vendor.

IV. CENTRAL REGIONAL DENTAL TESTING SERVICE (CRDTS)

- *Overview and Discussion on Non-Patient Dental Hygiene Exam*

Due to technical difficulties, Dr. McBride briefly allowed the opportunity for questions and public comment until Ms. Kimber Cobb was able to connect with audio to the meeting.

V. OPPORTUNITY FOR PUBLIC COMMENT

Dr. McBride allowed the opportunity for public comment and asked that participants introduce themselves when making comments.

VI. APPROVAL OF OPEN SESSION MINUTES

- *April 3, 2020 – Quarterly Meeting*
- *April 17, 2020 – Teleconference*
- *April 24, 2020 – Teleconference*
- *May 1, 2020 – Teleconference*
- *May 5, 2020 – Teleconference*
- *May 15, 2020 - Teleconference*

❖ MOVED by ELMITT, SECONDED by SLACH, to APPROVE the open session minutes of the meetings as drafted. Motion APPROVED unanimously.

CENTRAL REGIONAL DENTAL TESTING SERVICE (CRDTS)

- *Overview and Discussion on Non-Patient Dental Hygiene Exam*

Ms. Kimber Cobb, executive director of CRDTS, was able to connect to the meeting with audio and provided an overview of the new non-patient dental hygiene examination.

Ms. Cobb opened the discussion up to questions. Ms. Slach asked a few questions about the examination.

Dr. Foley inquired as to whether the non-patient examination had been administered yet. Ms. Cobb stated that CRDTS would be offering the examination starting next week and arrangements were being made to offer it at more schools.

Dr. Holst asked about the modifications to the dental examination. Ms. Cobb stated that the periodontal section would be quite similar on the dental side.

After the discussion ended, Dr. McBride introduced Dr. DeJong and Ms. Travis, the new Board members and welcomed them to the Board. Dr. DeJong and Ms. Travis introduced themselves.

- The Board took a brief recess at 10:27 a.m.
- The Board reconvened at 10:40 a.m.

I. REPORTS

EXECUTIVE DIRECTOR REPORT

Ms. Stuecker reported that Board staff was working through a database upgrade. The upgrades should improve the renewal process for licensees.

BUDGET REPORT

Ms. Stuecker reported that the Board was provided an updated financial status report. Expenditures to date are less than budgeted. Ms. Stuecker addressed the vacancy and the effects on the budget and staff workload.

The Board will need to have additional budget discussions going forward.

ANESTHESIA CREDENTIALS COMMITTEE

- *Review of Actions Taken by the Committee on General Anesthesia & Moderate Sedation Permit Applications*

Ms. Braness reported that the Anesthesia Credentials Committee met on May 14, 2020. The committee approved one general anesthesia permit application.

CONTINUING EDUCATION ADVISORY COMMITTEE

- *Vote on Recommendations: Course Applications*
- *Vote on Recommendations: Sponsor Applications*
- *Vote on Other Committee Recommendations*

Ms. Elmitt provided an overview of the committee's recommendations.

- ❖ MOVED by SLACH, SECONDED by TRAVIS, to APPROVE the recommendations as submitted. Motion APPROVED unanimously.

REGISTRATION APPLICATIONS FOR CONSIDERATION

- *Vote on Joey Brown, Application for Registration as a Dental Assistant*

Ms. Braness provided an overview of the information reported on the application. Ms. Brown has applied for registration as a dental assistant. The Board discussed Ms. Brown's application at the April 3, 2020 meeting and directed staff to offer Ms. Brown a Stipulated Registration Agreement. Ms. Brown has agreed to the stipulations and signed a draft of the order.

- ❖ MOVED by FOLEY, SECONDED by CERASO, to APPROVE the Stipulated Registration Agreement as drafted. Motion APPROVED unanimously.

- ❖ *Vote on Victor Falaiye, D.M.D., Application for Licensure as a Dentist*

Ms. Braness provided an overview of the application. Dr. Falaiye reported disciplinary action in the state of Virginia in 2010. Dr. Falaiye has complied with terms of the Virginia Consent Order.

- ❖ MOVED by HOLST, SECONDED by ELMITT, to APPROVE with an LOW.

DENTAL HYGIENE COMMITTEE

▪ *Committee Meeting Overview*

Ms. Slach reported that the committee met earlier that morning. The meeting was brief since the committee preferred to hear the examination presentations before holding more thorough discussions. Ms. Slach reported that the Board issued at least one temporary dental hygiene license to date. A list of temporary licenses will be posted to the website as an additional source of information.

▪ *Item(s) for Ratification*

- *Request for Rule Waiver: Jessica Garrett, R.D.H. Graduate, Iowa Administrative Code 650 – 11.5, Dental Hygiene Licensure by Exam*

Ms. Stuecker and Ms. Slach provided an overview of the request. Ms. Garrett was a 2020 graduate of a dental hygiene program in Missouri that closed following graduation. As a result of COVID-19, Ms. Garrett requested approval to complete the CDCA OSCE examination for the purposes of licensure. Kansas and Missouri have indicated that they would accept the CDCA OSCE examination for the purposes of licensure as a dental hygienist.

Dr. McBride asked Ms. Steffensmeier to weigh in on the options. Ms. Steffensmeier indicated that the Board has 120 days to issue a decision or it defaults to a denial. The Board could choose to delay the decision if appropriate.

Dr. Foley recommended that Ms. Garrett pursue a temporary license and allow her the year to complete a Board-approved examination. To date, there wasn't a precedent to allow an OSCE-only examination for the purposes of licensure. Dr. Ceraso agreed.

- ❖ **MOVED** by FOLEY, **SECONDED** by CERASO, to **DENY** the waiver request as submitted and inform her of the option to pursue a temporary license. Motion **APPROVED** unanimously.

II. ADMINISTRATIVE RULE WAIVERS

- *Rule Waiver Request: Dustin Svatos, D4 Student and Creighton University on behalf of the D4 Students, Iowa Administrative Code 650 – 11.2, Dental Licensure by Exam*
- *Rule Waiver Request: Brian Langston, D4 Student, Iowa Administrative Code 650 – 11.2, Dental Licensure by Exam*

Ms. Stuecker provided an overview of the requests. Mr. Langston, a student at A T Still University, and Mr. Svatos and other D4 students at Creighton University requested that the Board accept the modified WREB examination using manikins for the endodontic, prosthodontic and simulated operative portions of the examination in conjunction with the written Comprehensive Treatment Plan (CTP) in lieu of the periodontal portion of the examination.

Dr. McBride provided an overview of the requirements of the operative section and addressed some of the differences between the various modified examinations reviewed by the Board to date.

Dr. Ceraso was in favor of approving this examination with the additional sections addressing hand skills. Dr. Foley was also in favor to approve the examination with the changes as submitted.

- ❖ MOVED by FOLEY, SECONDED by HOLST to APPROVE the waiver as drafted. Motion APPROVED unanimously.
- *Rule Waiver Request: Nathan Kartchner, D4 Student, Iowa Administrative Code 650 – 11.2, Dental Licensure by Exam*
- *University of Iowa College of Dentistry on behalf of D4 Students, Iowa Administrative Code 650 – 11.2, Dental Licensure by Exam*

Ms. Stuecker provided an overview of the requests. Mr. Kartchner requested that the Board accept the modified CDCA/ADEX CompeDont™ examination using manikins for the operative and restorative portions of the examination. The manikin examination would not include the periodontal section.

The D4 students at the University of Iowa College of Dentistry also requested that the Board modify the previous rule waiver to also allow students the option of completing a manikin-based examination, such as the CDCA CompeDont™ examination.

Dr. Holst asked about the modification of the waiver for the D4 students at the University of Iowa College of Dentistry. Ms. Stuecker addressed the periodontal section of the proposed examination. The periodontal section is optional for some testing agencies; however, the Board currently requires all sections offered.

Ms. Braness noted that the addition of this option may allow more portability to other states. The students could choose which examination to complete.

Dr. Ceraso asked for clarification about what the Board would be approving. Ms. Stuecker clarified that the CompeDont™ examination would be approved without the requirement that the periodontal section be completed. It would remain optional. Dr. McBride addressed some of the concerns. The OSCE portion addressed the periodontal section. The final version of this examination was now available. Therefore, this was being proposed as an option.

Ms. Slach expressed some concerns about the lack of a periodontal component to the modified examination. The Board discussed the concerns briefly.

- ❖ MOVED by SLACH, SECONDED by FOLEY, to APPROVE the waivers as submitted based on the recent precedent. Motion APPROVED unanimously.
- *Vote to Delegate Authority to Staff to Administratively Approve Waivers Related to Licensure Exams as Outlined by the Board*

Dr. McBride provided an overview of the discussion. If the Board members agreed, staff would be given authority to approve additional requests received by dental students if the requests are either identical to waivers previously approved by the Board, or that are identified per this discussion. This would eliminate unnecessary delays in licensure since the Board only meets every 2 months.

Dr. McBride recommended that all regional non-patient-based examinations performed on manikins be eligible for approval. Dr. Howe asked which clinical examinations would be accepted by the Board for the purposes of licensure. Dr. Howe listed the CDCA CompeDont™ examination as an example of an alternative to patient-based examinations. Dr. McBride stated that he would be inclined to accept the modified CDCA, WREB and CRDTS examinations based on the comprehensive information provided to date. Dr. Foley asked if this would also be in conjunction with the ADA or CDCA OSCE examination. Dr. Foley noted that CRDTS does not have a computerized version.

To date, Dr. McBride stated that the Board has not received much information from SRTA regarding a modified non-patient dental examination. Therefore, additional information would be required prior to making a decision on the SRTA dental examination. Dr. McBride stated that he was disinclined to require an OSCE if the modified non-patient examination included a periodontal section. If a modified non-patient examination did not include a periodontal section, Dr. McBride recommended that an OSCE be required.

- ❖ MOVED by ELMITT, SECONDED by SLACH, to DELEGATE AUTHORITY to staff to make decisions on additional waivers as discussed and to consult with the Board as needed. Motion APPROVED unanimously.

Ms. Slach asked for clarification on the status of the approvals for non-patient dental hygiene examinations. Dr. McBride stated that the Board received one waiver request from a dental hygienist to date. Testing agencies had non-patient dental examination options prior to the availability of non-patient dental hygiene options. Ms. Slach recommended approval of the non-patient dental hygiene examinations discussed to date. Dr. McBride did not believe that a decision needed to be made now. A separate meeting could be scheduled to address that sooner if needed.

- *Possible Board Legislation for 2021*

Ms. Stuecker reported that the legislature recently reconvened, following a session delay as a result of COVID-19, to finish session business for the year. Ms. Stuecker noted that the second funnel was today.

Ms. Stuecker noted that the legislature was discussing SF 2393, which was a comprehensive regulatory reform bill. The bill would standardize the way boards review criminal history and streamline the application process for out-of-state practitioners. Additionally, it included a fee waiver for applicants who make less than 200% of the federal poverty threshold. The discussion regarding the bill was ongoing.

Ms. Stuecker stated that if Board wanted to consider possible legislation for the 2021 session, that discussion should be started. Dr. McBride noted that the Board previously discussed changes to prescribing regulations and the administration of vaccines. The administration of vaccines is allowed in a few other states. In light of COVID-19, it may make sense to allow dentists to administer vaccines for conditions such as HPV and the flu.

COVID-19 point of care testing is part of the scope of practice to determine whether dental care should be provided. Testing would be limited to determine whether or not to provide dental services to a patient. Statutory changes would be required to permit testing by dentists for other purposes. The Board may want to review and discuss this at the next meeting. Ms. Slach asked if the point of care testing could be delegated. Dr. McBride believed so; however, Ms. Steffensmeier may need to review that further.

Ms. Slach referenced the possibility of allowing dental hygienists to have limited prescribing authorities related to dental hygiene. Dr. McBride agreed that it would be something to consider.

Dr. Foley asked whether a change in supervision level for the administration of local anesthesia could be done via rulemaking or if this would require a statutory change. Ms. Steffensmeier indicated that she would need to review that further. Dr. Holst also recommended allowing the administration of nitrous oxide by a dental hygienist under general supervision as well.

Ms. Stuecker indicated that she and staff will begin drafting proposals. The Board would need to approve language by the November 2020 meeting to pre-file the legislation for the 2021 session.

III. OTHER BUSINESS

- *COVID-19 Update and Discussion on Board Guidelines*

Dr. McBride provided an update on the current status. Governor Reynolds' proclamation issued on May 6, 2020 requires compliance with the Guidelines for the Safe Transition Back to Practice adopted by the Iowa Dental Board on May 5, 2020. After the proclamation expires, the Board may need to pursue rulemaking for continued compliance with these or similar requirements.

Dr. McBride noted that the CDC issued updated guidelines on May 19, 2020. Most of the Board's guidelines are consistent with their recommendations; though, the Board may need to require more than 2003 infection control requirements going forward.

Ms. Slach inquired if the Board could issue a statement to adhere to recent guidelines. Ms. Steffensmeier noted that rulemaking has currently been halted. Ms. Steffensmeier also stated that there were potential problems with the use of the terms "recent" or "current" in rulemaking. The use of those words in rulemaking effectively allows third parties to make binding decisions. Rulemaking requires vetting of potential requirements. There may be some regulatory language to require consistency with guidelines; however, there would need to be limitations since additional review would not be allowed.

Dr. McBride referenced a question the Board received about letting operatories sit for 15 minutes before cleaning it after each patient. Dr. McBride noted that this was a recommendation from the CDC; however, it would not be required. Dr. McBride noted that every situation is different; therefore, it was hard to know what will work for all offices.

Dr. McBride addressed another question about fit testing of N95 masks. Dr. McBride requested that remaining questions be forwarded to the Board office via email.

- *Vote on Board Officers*

Ms. Stuecker reported that the Board needed to elect officers for the upcoming year. The composition of the executive committee would also be reviewed.

- ❖ MOVED by FOLEY, SECONDED by SLACH, to NOMINATE Dr. McBride as chair.

Dr. McBride appreciated the support. Dr. McBride said that having served as the chair during the last year has been enlightening and humbling. Dr. McBride was proud of what the Board has accomplished.

- ❖ Vote taken. Motion APPROVED unanimously.

- ❖ MOVED by ELMITT, SECONDED by SLACH, to NOMINATE Dr. Foley to serve as vice-chair.

Dr. Foley stated that she would be happy to continue serving as the vice-chair.

- ❖ Vote taken. Motion APPROVED unanimously.

- ❖ MOVED by FOLEY, SECONDED by HOLST, to NOMINATE Ms. Elmitt as secretary.

Ms. Elmitt stated that she would be happy to serve during her last year on the Board.

- ❖ Vote taken. Motion APPROVED unanimously.

- *Appointment of Executive Committee Members*

In addition to the officers, Dr. McBride appointed Ms. Slach to serve on the executive committee. Ms. Slach stated that would be happy to serve on the committee.

- *Vote on Board Committees*
 - *Continuing Education Advisory Committee*

Ms. Stuecker reported that Ms. Beasler, R.D.H. was stepping down from the committee. Ms. Stuecker also noted that Dr. Foley has also asked to step down due to time constraints.

Ms. Stuecker reported that the Board did not receive letters of interest from other licensees. Dr. Foley nominated Dr. Holst to serve in her place if she were interested.

- ❖ MOVED by ELMITT, SECONDED by SLACH, to NOMINATE Dr. Holst in place of Dr. Foley and Ms. Travis in place of Ms. Beasler. Motion APPROVED unanimously.

- *Anesthesia Credentials Committee*

Ms. Stuecker reported that Dr. Roth recently retired. Dr. Roth, who holds a moderate sedation permit, was willing to continue serving on the committee or step down as needed. Ms. Stuecker reported that two dentists submitted applications for consideration. Both dentists hold moderate sedation permits.

Dr. DeJong stated that he knows both dentists. Dr. DeJong reported that Dr. Roth was happily retired. Dr. DeJong thought either dentist would be good; though, Dr. Zirker was involved in teaching sedation at the university.

- ❖ MOVED by DEJONG, SECONDED by FOLEY, to APPOINT Dr. Zirker to the committee.

Ms. Travis noted that Dr. Binkowski works at her office providing sedation services and she could recuse herself from the vote if needed. Ms. Travis was happy with the services that Dr. Binkowski has provided to date.

Ms. Slach also noted that there was another educator on the committee.

Roll Call:

<u>Member</u>	<u>McBride</u>	<u>Foley</u>	<u>Ceraso</u>	<u>DeJong</u>	<u>Holst</u>	<u>Slach</u>	<u>Travis</u>	<u>Elmitt</u>	<u>Thorsen</u>
Yes	x	x	x	x	x	x	x	x	x
No									

Motion APPROVED unanimously by roll call.

- *Review of 2023 Meeting Dates*

Ms. Stuecker asked the Board members to review the proposed meeting dates for 2023. The Board members did not have any conflicts and the meeting 2023 dates were set as proposed.

IV. COMPLAINTS AND INVESTIGATIVE INFORMATION FOR UNLICENSED PRACTICE

Ms. Stuecker provided an update on the complaints. To date, the Board has closed complaints wherein the businesses only sold tooth whitening kits and did not provide any service. In cases where a product was applied to a customer, those have been turned over to the county attorney for the practice of dentistry without a license.

- *Case #19-0194, Beauty Operators*

Ms. Stuecker provided a brief update on case #19-0194. Ms. Slach asked for clarification as to when the services were provided and then ceased. Ms. Slach asked if a letter of warning could be issued. Ms. Steffensmeier stated that the letter would be limited to advising her of the current law.

Dr. Holst asked if this letter had already sent. Ms. Stuecker reported that an investigative request had been mailed; however, Ms. Stuecker noted that a written response had not been received to date. Ms. Slach noted that it appeared that the respondent was reached by phone. Respondent indicated that she would not continue with that service when she reopens.

Dr. Foley believed that a letter of information would be appropriate based on the precedent and indication that the individual does not intend to provide this service going forward. Ms. Steffensmeier asked for clarification regarding the closing of the complaint. The Board members agreed unless information was provided indicating a failure to comply.

- ❖ MOVED by FOLEY, SECONDED by HOLST, to CLOSE with a letter of information. Motion APPROVED unanimously.

- *Case #20-0021, Voltage Ink*

Ms. Stuecker provided a brief overview. A previous complaint was closed without action. This was a new complaint.

Dr. Foley recommended the same action since it appears that this location is just selling a whitening kit.

- ❖ MOVED by FOLEY, SECONDED by THORSEN, to CLOSE with a letter of information. Motion APPROVED unanimously.

- *Case #20-0047, Sparkle Iowa*

Ms. Stuecker provided a brief overview.

Dr. Holst expressed some concern. The current website still has patient testimonials on the site. Additionally, information about scheduling appointments, purchasing packages or treatments was available. Dr. Holst believed that there were six locations altogether.

Dr. Foley agreed. Ms. Stuecker stated that Ms. Steffensmeier may need to weigh in. A complaint was referred to the county attorney in 2017. Ms. Steffensmeier stated that the same action could be taken again. Dr. Foley believed that this was a good step.

- ❖ MOVED by FOLEY, SECONDED by THORSEN, to REFER the complaint to the county attorney and send another letter of information. Motion APPROVED unanimously.

- The Board took a brief recess at 11:45 a.m.

- The Board reconvened at 12:02 p.m.

CLOSED SESSION

- ❖ MOVED by MCBRIDE, SECONDED by ELMITT, to go into CLOSED SESSION pursuant to Iowa Code section 21.5(1)(a), to review or discuss records which are required or authorized by state or federal law to be kept confidential; pursuant to Iowa Code section 21.5(1)(d), to discuss whether to initiate licensee disciplinary investigations or proceedings; and pursuant to Iowa Code section 21.5(1)(f), to discuss the decision to be rendered in a contested case conducted according to the provisions of chapter 17A.

Roll Call:

<u>Member</u>	<u>McBride</u>	<u>Foley</u>	<u>Ceraso</u>	<u>DeJong</u>	<u>Holst</u>	<u>Slach</u>	<u>Travis</u>	<u>Elmitt</u>	<u>Thorsen</u>
Yes	x	x	x	x	x	x	x	x	x
No									

Motion APPROVED by roll call.

- The Board convened in closed session at 12:03 p.m.
- ❖ MOVED by MCBRIDE, SECONDED by SLACH, to RETURN to OPEN SESSION. Motion APPROVED unanimously.
- The Board reconvened in open session at 2:57 p.m.

OPEN SESSION

V. ACTION, IF ANY, ON CLOSED SESSION AGENDA ITEMS

a. Closed Session Minutes

- ❖ MOVED by SLACH, SECONDED by THORSEN, to APPROVE the closed session minutes for the April 3, 2020 quarterly meeting. Motion APPROVED unanimously.

b. Compliance

- ❖ MOVED by CERASO, SECONDED by THORSEN, to APPROVE the removal of this licensee from probation in the Matter of Ala’a Al Arabi, D.D.S., file number 19-0008. Motion APPROVED unanimously.
